To whom this may concern,

It is my absolute delight to recommend Madison Hawn for the state pageant. Madison has been on my cross country team for the past 2 years. I came to know her as a truly valuable asset to our team. She is trustworthy, dependable, and very hard working. Beyond that, she has an impressive character that is always pushing her to do the right thing.

Madison was a real leader of the cross country team. She was nominated captain and held that position with the truest honor. Her leadership skills showed the other athletes what it meant to work hard at something and push yourself to do your best. For example, Madison was often found staying after practice to run it again so she could aim for a better time. She is always encouraging to her teammates as well as opposing teams.

Without a doubt, I confidently recommend Madison Hawn for the state pageant. As a dedicated leader, and all around great person, I know she will be a beneficial addition to you.

Feel free to contact me if you'd like to discuss Madison's qualifications and experience further. I'd be happy to expand on my recommendation.

Best wishes,
