

To whom it may concern,

I am writing to recommend Madison Hawn for the next Miss Teen Illinois. I have had the pleasure to watch Madison grow as a young woman and as a leader in her community. I have personally worked with Madison on numerous community events. She is a highly respected young lady in our community. She is requested by our Chamber of Commerce to help open new businesses, Firefighters to help promote their children events, our local library to help young children read and many more.

Volunteering in our community is her passion and drive. Madison always brings a smile to the faces of the people she is working with. Madison was awarded a community service award by the Chamber of Commerce for all of the volunteering events she attends.

I can confidently recommend Madison for Miss Teen Illinois. I know she will work hard, give back to her community and be an asset to your court.

I am available for you to contact me if you would like more details on Madison's qualifications.
